“ENCHANTED FOREST”

In this show, we will find a huge tree, full of magic fruits, which will go through the streets surrounded by a unique group of lively elves aiming to have fun and play with everyone. With some help from the youngest, the elves will try to wake up the Magical Spirit, a cute elf sleeping inside the tree. When they wake him up, the tree will open up for him to share his fruit with the audience, turning the whole scenario into an enjoyable party for everyone.

"The enchanted forest" is a highly innovative parade, due both to the voices featured and the colourful and joyful setting, which will involve children and adults in the game.
