SPECTACLE

“CHINESE NEW YEAR”

We have to celebrate Life with the arrival of each New Year, with this Show we pay tribute to one of the most emblematic, fun and impressive celebrations of such a marked date.

“CHINESE NEW YEAR” es un Espectáculo que representa la alegría por la llegada de lo nuevo con música, color y diversión. It includes TWO air elements with light inside, the Chinese Lanterns, and FOUR giant inflatable elements on engine-run wagons: a Koi Carp, a Panda Bear, a Chinese Lion and a Legendary Dragon.

With each Chinese Lantern there are two entertainers characterized as Orientals, one in charge of air element control and the other to help with it. To complete the Show there is a group of FIVE entertainers characterized as Orientals. Four of them carry different props with which they will interact continuously with the public. The other entertainer carries a backpack in which he keeps different types of fireworks that will amaze those attending the Parade.

There is no doubt that this is a parade that will impress both for its size (the Legendary Dragon is 19 meters long) and for its innovative sound system, equipped with a transmitter and a receiver producing a realistic atmosphere. There will be special music playing along this unbelievable setting, which will make people immerse themselves in Oriental culture.

It should also be highlighted that all our inflatable creatures can be easily folded, just in case that some areas are narrow and not adequate to their size.

“Chinese New Year” is a colorful and joyous Show that will impress and amuse the public alike.
