“THE CRAZY BUCCANEERS WITH THEIR PIRATE GALLEON AND A GIANT OCTOPUS”

Eight pirates will be dancing in a particular way, as their bodies are full of air. By their side, you will see a GIANT OCTOPUS and a huge PIRATE GALLEON, also equipped with a sound system that will play the same music simultaneously, reaching up to 40 meters throughout the parade.

As we all expect, the fantastic galleon is driven by the Captain of the pirates. There will be also two other buccaneers controlling a powerful confetti and serpentine turbine, as well as they will be throwing streamer and balls to the audience.

All our characters will transform this Show into a special feast and people will play a very important role on the parade.
