“THE MAGIC CIRCUS”

This show is composed of five giant animals coming from an elegant circus: the scary Lion, the great Rhino, the cute Hippo, the dangerous Tiger and a giant Cobra. They are all surrounded by the craziest group: an evil ringmaster, a crazy clown, a beautiful acrobat, an amazing magician and the extraordinary *Strongman*. The streets are filled with laughter and applauses before presenting a funny show full of comic situations and the audience will be actively participating in the parade. There is no doubt that this is a parade that will impress both for its size and for its innovative sound system, equipped with a transmitter and a receiver producing a realistic atmosphere. Not only will this device play fantastic music, but it will make people immerse themselves in the magical world of the circus.

It should also be highlighted that all our inflatable creatures can be easily folded, just in case that some areas are narrow and not adequate to their size.
